

Mohawk Elementary Drop-off

Morning drop off for Mohawk Elementary is from 7:45am-8:00am. Students should report to their homeroom or cafeteria for breakfast where they will be supervised.

The picture below shows the direction of the traffic flow. If you plan to escort your child into the school please park in one of the designated parking spots and proceed with your child to the front office where you will sign in and obtain a visitor's pass. ***If you plan to exit your vehicle for any reason, you must park in a designated parking place.***

Parents who plan to drop their child off and depart, will pull up to the curb **PAST** the cross-walk. Child should be prepared to exit the vehicle promptly. Parents will remain in their vehicle. Pull all the way up to the curb or a few feet behind the car in front of you. Students will exit on the passenger side of the vehicle and proceed on the sidewalk to the elementary entrance or main entrance. The full length of the curb should be used for drop off. A Staff member will be on duty to greet your child and to direct traffic.

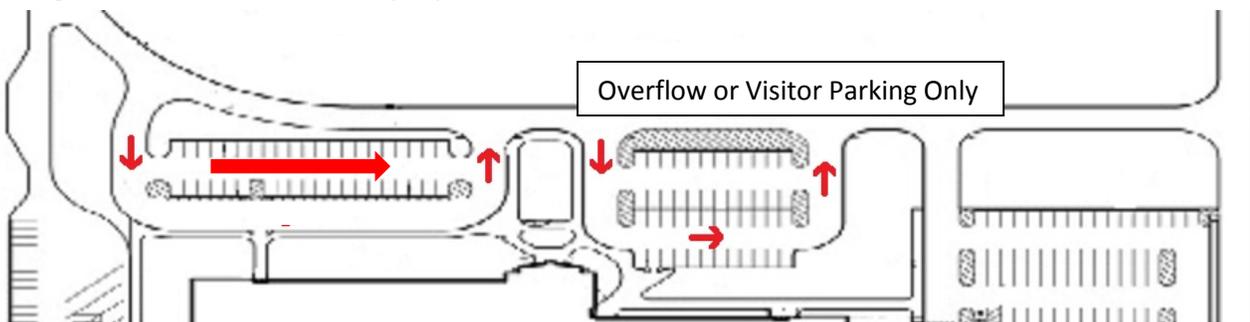

Mohawk Elementary Afternoon Pick-up

Upon arrival parents are to park in a designated parking spot. ***Do not park along the road, in the fire lane, or in the cross-hashed areas.*** If the elementary parking lot is full, additional parking is available on the adjacent high school lot in the first two rows nearest the building. Under no circumstances should vehicles circle the parking lot waiting for a spot to open.

No students will be picked up along the curb. Parents must exit their vehicle and meet their child on the sidewalk in front of the elementary exit. **Students will be released at 3:10 pm**

Staff members will be on duty to insure that students are united with their parents on the sidewalk. Parents will then promptly escort their child(ren) back to their respective vehicle in the parking lot. A staff member will be on duty in the parking lot to insure a safe and orderly departure.

These procedural changes are being implemented for your child's safety. The traffic congestion and drivers circling the lot was creating a chaotic and unsafe situation for our kids. These procedures are designed to insure a safe and orderly pick-up and departure. Your cooperation is greatly appreciated as we work together to keep our kids safe.

Sincerely,
Tami Wallace
PreK-6 Principal
