## **ARTICLE I – PROFESSIONAL NEGOTIATING PROCEDURES DOCUMENT**

### **A. Recognition**

The Board of Education of the Mohawk Local School District (hereinafter referred to as the Board) recognizes the Mohawk Education Association (MEA), an affiliate of the Ohio Education Association (OEA) and the National Education Association (NEA) (hereinafter referred to as the Association), as the sole and exclusive bargaining representative of all full-time and part-time certificated/licensed personnel, exclusive of administrative and supervisory personnel, for the purposes of collective bargaining as defined in Chapter 4117 Ohio Revised Code.

Hereinafter, reference to employees or teachers shall refer to certificated/licensed teachers in the bargaining unit.

### **B. Principles**

1. Right to Join or Not to Join – Employees have the right to join, participate in, and assist the Association, and the right to refrain from such; but membership shall not be a prerequisite for employment or continuation of employment of any employee.
2. Right of Minorities and Individuals – The legal rights inherent in the Federal Law and the Ohio Revised Code and in the rulings and regulations of the Department of Education affecting certificated personnel are in no way abridged by this Agreement.

### **C. Procedures for Conducting Negotiations**

1. Negotiating Teams – The Board and Association shall designate a negotiating team consisting of not more than five (5) members.
2. Notice to Negotiate – Either party to this Agreement may declare its intention to negotiate a successor to this Agreement by filing a Notice to Negotiate with the other in the month of January of the year in which the Agreement is scheduled to expire.
3. Reaching Agreement – As tentative agreement is reached on each issue, it shall be initialed by each party. When consensus is reached, the proposed successor Agreement shall be reduced to writing as a tentative agreement and submitted to the Association and the Board for ratification. Following ratification by both parties, the Agreement shall constitute the successor contract between the parties. There shall be two (2) copies of the successor contract which shall be signed on behalf of the parties. One (1) copy shall be retained by the Board and one (1) by the Association.

4. Mediation – Either party may declare that an Impasse has been reached and request mediation through the Federal Mediation and Conciliation Service (F.M.C.S.). However, in no event shall mediation commence prior to May 16.

Mediation as provided for herein constitutes the parties mutually agreed upon dispute settlement procedure pursuant to 4117.14(c)(1)(f). The obligation to mediate shall expire upon expiration of this Agreement.

**D. Severability**

Unless otherwise required by Section 4117.10(A) of the Ohio Revised Code, this Agreement supersedes and prevails over all Ohio statutes and Board Policies or administrative rules to the extent that such statute, policy or rule conflicts with a term of this Agreement. Should a provision of this Agreement be found unlawful, all other provisions of this Agreement shall remain in full force and effect. The Board and the Association shall engage in bargaining to the extent necessary as a result of a change in state or federal law.

**ARTICLE II – GRIEVANCE PROCEDURE**

**A. Purpose**

The purpose of this procedure is to resolve the grievance at the lowest possible level. Both parties agree that grievances will be processed as expeditiously as possible.

**B. Definitions**

“Grievance” shall mean a claim by an employee(s) or the Association that there has been a violation, misinterpretation, or misapplication of the language in this Agreement.

3. Grievance forms shall be exhibited in the appendix of this Agreement.
4. The Association shall receive copies of all communications in the processing of grievances.

**D. Time Limits**

The number of days indicated at each step in the procedure shall be maximum and may be extended only by written mutual agreement of the parties.

A written grievance shall be filed within fifteen (15) days of the act or where the employee can reasonably be charged with knowledge of the act on which the grievance is based.

Failure of the grievant to comply with time lines shall be cause for the grievance to be dismissed.

Failure of the Board to comply with the time lines shall result in the grievance proceeding to the next step without delay.

A grievance may be withdrawn at any time without prejudice.

**E. Grievance Procedure**

1. Informal Step

Within five (5) days of the act, or where the employee can reasonably be charged with knowledge of the act on which a grievance is to be based, the employee and the Association representative, if so desired by the employee, may discuss the grievance with the employee's immediate supervisor. If the grievance is to be filed with the grievant's immediate supervisor, there should be an attempt to resolve the grievance informally.

If the grievance is not resolved during the informal step, or in the event the informal step is not utilized, the employee or Association may file a written grievance with the appropriate supervisor within the time limit established in Section D above.

2. Step One

Within ten (10) days of the conclusion of the hearing, the appropriate supervisor shall forward his/her written response to the grievant and the Association President.

Within ten (10) days of the receipt of the Step One response, if the Association and grievant are not satisfied with the appropriate supervisor's response, the Association may file a written form to proceed to Step Two.

3. Step Two

Within ten (10) days of the filing of the form, the Superintendent or his/her designee, shall arrange and conduct a hearing in the same manner and for the same purpose as set forth in Step One.

Within ten (10) days after the hearing, the Superintendent or his/her designee shall provide a written response to the grievant and the Association President.

4. Step Three

Within ten (10) days of receipt of the Step Two response, if the Step Two response is not acceptable, the Association shall notify the Superintendent of its intent to proceed to arbitration.

**F. Selection of the Arbitrator**

The arbitrator shall be selected from a list supplied by the American Arbitration Association. All procedures relative to arbitration shall be in accordance with the rules and regulations of the American Arbitration Association.

**G. Authority of the Arbitrator**

The arbitrator shall not have the authority to add to, subtract from, modify, change or alter any of the provisions of this Agreement nor add to, subtract from, or modify the language therein in arriving at a recommendation of any issue presented. The arbitrator shall expressly confine himself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) submitted for arbitration and shall have no authority to determine any other issues(s) not so submitted or to submit observations or declarations of opinion which are not directly essential in reaching the recommendation.

Receipt by the Association shall be construed to be the delivery date to the designated officer of the Association.

Meetings and hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend.

All parties of interest shall be permitted to attend a grievance meeting or arbitration hearing with no loss of pay or benefits

No reprisals or recriminations shall be taken against any employee who files or takes part in a grievance.

If no alternative arrangement is feasible, a dock day may be authorized, which authorization will not be arbitrarily withheld. If the request for dock day is denied, the employee will receive a written explanation as to the reason for denial. Dock days may not be used to avoid requesting personal leave on consecutive work days or before or after a scheduled break of three (3) days or more. If the dock day is granted, it shall be without pay or any fringe benefits of any kind. The per-diem cost of the employee's fringe benefits, including but not limited to, insurance, retirement, Medicare and Workers' Compensation premiums, shall be deducted from the employee's pay.

**H. Sick Leave Bank**

A Sick Leave Bank shall be created to provide for additional days of sick leave for members of the bargaining unit represented by MEA. 2. Recording of all donations and submission of a list of all donations to the Board Treasurer's office;
3. Processing of all requests for use of the days in the Sick Leave Bank (receipt of requests, notification of the Board Treasurer's office, etc.);
4. Monitoring of all usage of days from the Sick Leave Bank;
5. Solicitation of additional days when the Sick Leave Bank is nearing depletion.

The application must be accompanied by the required written physician's statement. A member may make further requests for withdrawals from the Sick Leave Bank in increments of up to thirty (30) days. The discretion to approve additional withdrawals from the Sick Leave Bank rests with the Oversight Committee. Sick leave days will not be granted for days beyond the end of the school year. A member, however,

may make application for withdrawals from the Sick Leave Bank to commence at the beginning of the next contract year. A member who has been granted disability leave and/or disability retirement by STRS may not apply for additional days from the Sick Leave Bank or use days previously granted by the Oversight Committee from the Sick Leave Bank beyond the starting date of approval coverage for disability leave or disability retirement granted by STRS. However, if a member's disability leave status is rejected, revoked or terminated by STRS, a member may apply for withdrawals from the Sick Leave Bank.

Whenever the number of days available in the Sick Leave Bank totals fifteen (15) days or less, the Oversight Committee shall solicit donations of additional days from all bargaining unit members. All solicitations by the Oversight Committee for donations to the Sick Leave Bank taking place after the initial donation period the first year the Sick Bank is established, shall be limited to one (1) day per member and only take place when the days available in the Sick Leave Bank totals fifteen (15) days or less.

Effective July 1, 2023 the Board monthly premium contribution for a single or family PPO plan shall be 92.5% of the monthly premium for the respective plan, with the employee paying 7.5%. These minimums are \$3,000 for single and \$6,000 for family in 2023 and are subject to change annually. The maximum out-of-pocket for the high deductible plan may increase automatically at the same dollar increase as the deductible, but never higher than the maximum permitted by law.

Based on the information obtained through the Hospital Review program, a determination will be made whether the patient would benefit from case management. If the patient is selected for case management, a case management physician who specializes in the type of case involved will consult with the patient’s physician concerning the course of treatment and possible alternative treatment options. 2. When regular teachers have returned from a leave of absence.
3. Where schools have been suspended.
4. Where there have been territorial changes affecting the District.
5. Financial reasons.
6. Where employees have retired or left the District through attrition.

When the Board decides, for any of the above reasons, that it is necessary to reduce the number of teachers, it may make a reasonable reduction. In making such reduction, the Board must suspend contracts in accordance with the recommendation of the Superintendent who is required, within each teaching field affected, to give preference first to teachers on continuing contracts and then to teachers who are most qualified by comparable evaluations over a three (3) year period.

Teachers whose continuing contracts are suspended have the right to be restored to continuing service status in the order of certification and then seniority of service in the District, if and when teaching positions become available for which those teachers are qualified. After all eligible continuing contract staff are restored to continuous status, teachers whose limited contracts are suspended and have five (5) years of service with the Mohawk Schools will have the right to be restored to a limited contract status in the order of certification and then seniority of service in the District, if and when teaching positions become available for which those teachers are qualified. Teachers will remain on the recall list for a period of no more than 24 months.

Where group insurance policies permit, a teacher on the recall list who is unemployed and does not otherwise have group coverage available may continue to participate in those benefits which are provided to teachers in active employment provided the teacher pays the group rates for such benefits.

When a vacancy occurs, the Board shall send a certified announcement to the last known address of teachers on the recall list who are qualified to fill the vacancy. It is the teacher's responsibility to keep the Board informed of his/her current address. Any teacher who fails to respond in writing to the Superintendent's office within ten (10) business days, or declines a full-time position, shall forfeit all recall rights.

A teacher on the recall list shall, upon acceptance of the notification to resume active employment status, return to active employment status with the same seniority, accumulation of sick leave and salary schedule placement as said teacher enjoyed at the time of layoff.

For purposes of this procedure, “teaching field” shall be defined as those subjects or fields named on the teachers’ certificates/licenses, and “seniority” shall be defined as including only continuous, unbroken service within the District. Teachers who have been approved by Board action for leave as outlined in Article III, Section E, of this Agreement shall be considered as having continuous service.

In determining seniority in the District, the following sequence will be followed:

1. Number of years of continuous, unbroken service within the District.
2. If two (2) or more employees are equal in Step 1, then the date of Board action to hire the employee will determine seniority. The earliest date being the one with most seniority.
3. If two (2) or more employees are equal in Step 1 and 2, the tie shall be broken by the Superintendent based upon what he believes to be in the best interest of the District.

On or before April 1 preceding an anticipated staff reduction, the Association President shall be notified of the Board’s intent to consider a staff reduction. A meeting shall be held between representatives of the Association and the Board to review appropriate data indicating a need for a reduction in staff. The Association shall be informed as to why the reduction is deemed necessary, what teaching fields are to be affected, the extent of the anticipated reduction, and will be provided with a seniority list of all employees.

The Administration will provide letters of recommendation for teachers affected by a reduction in force, within ten (10) days of the teacher’s notification that his/her contract has been suspended, and will attempt to provide other forms of assistance, where possible, upon the request of the teacher.

The personnel records and all references of those teachers laid off pursuant to this policy shall clearly indicate that such was due to a reduction in force and was not due to unsatisfactory performance.

No personal leave or dock days may be used during a make-up day. No days will be made up at the end of the school year unless the district falls below the state minimum number of hours as determined by the sum of delays and closures, a sufficient number of days shall be made-up such that the district exceeds the minimum number of hours required by ORC 3313.48.
