Dear Parents:

As part of continuous improvement of preschool special education at the state level, the Ohio Department of Children and Youth has implemented a tiered review process for districts serving preschool students with disabilities. Mohawk Local has been selected for a Tier 3 review which is a desk review. Desk reviews involve completing an internal assessment, collecting perception data through surveys, and then creating an improvement plan. These items are then submitted electronically to the Department of Children and Youth for their review.

If you have any questions or concerns about this process, you may contact Hannah Herring, Director of Student Services at 419-927-2595 or hannah.herring@mohawklocal.org.

Thank you for your participation and understanding as we complete this state-level review.

Sincerely,

Hannah Herring
