Student Wellness and Success Funding Plan

Mohawk Local Schools receives two funding sources: Student Wellness and Success as well as Disadvantaged Pupil Impact Aid (DPIA). For Student Wellness and Success the district is receiving \$146,579 and for DPIA the district receives \$19,597. In collaboration with the Seneca County General Health District and the Wyandot County Sheriff's Office the district allocates this money to support the following critical staffing needs for the district:

- Full-time nursing through the Seneca County General Health District
- Full-time Student Resource Officer commissioned through the Wyandot County Sheriff's Department
- The salary and benefits for an elementary guidance counselor
- A portion of the salary and benefits for a special education teacher.

These are valuable services, and it is important to note that there has been a reduction of funding approaching \$22,000. This difference is made up through the general fund.

Respectfully

Andrew Sprang
Superintendent Mohawk Local Schools
