Athletic Handbook 2022-23

PHILOSOPHY

The purpose of the Mohawk Schools Athletic Department is to provide a well-balanced and well-planned program of interscholastic athletics consistent with available facilities, personnel and financial support and to operate and manage these athletic activities in harmony with the policies of the Mohawk Local School District Board of Education and the Ohio High School Athletic Association.

Participation in any Mohawk athletics is an honor and a privilege, not a right.

This program shall be based on the following premises:

1. Interscholastic athletics are an integral part of the overall educational program.
2. The main objective of scholastic athletics is the overall development of the student.
3. Mohawk Athletics provide the community a primary source of insight to the development of Mohawk students.
4. All students are encouraged to participate in the extra-curricular opportunities provided by Mohawk.
5. As members of Mohawk Athletic teams, student-athletes will develop and practice such values as effort, respect, sportsmanship, integrity, pride and teamwork

GOALS

Mohawk offers a variety of boys' and girls' sporting opportunities. These programs operate under the direction of the Mohawk Board of Education, the Ohio High School Athletic Association, the Northern 10 Athletic Conference, The Mohawk Schools Superintendent, Principal, Athletic Director and coaching staff.

In these programs, there are other goals greater than winning a contest, particularly the experience of working cooperatively toward a common goal, applying effort, and competing within the guidelines of the game.

Other goals include developing one's own physical abilities, practicing sportsmanship and graciousness - win or lose. Participating in activities should provide recreation and entertainment for participants and spectators alike.

Five credits AND a quarter GPA of 1.70 to 1.99

Conditional Eligibility allows for athletic participation on the condition that the student-athlete attends two mandatory study table sessions per week. Any subsequent missed study table session will result in immediate ineligibility and dismissal from the current sport/activity for the remainder of the season.)

If a student with conditional eligibility has reached grades that would qualify he/she for complete eligibility at the time of the release of midterm grades, they may reduce their study table sessions to once per week.

Limited Eligibility:

ATHLETE HEALTH and FITNESS

Athletic Training Services

- The health and safety of Mohawk student-athletes are of foremost concern. Mohawk partners with Wyandot Memorial Hospital's Sports Care to provide a certified athletic trainer ~~for~~ who will be available at all of Mohawk's home contests and will travel with the varsity football team.
- The athletic trainer will establish a schedule for the training room(s) and arrangements for treatment should be made with both the coaching staff and trainer prior to attending. The trainer is not a doctor, but he/she can make qualified recommendations for athletes, coaches and parents in regards to the health and safety of athletes.
- Sycamore EMS Services will be present for all home varsity football games.
- If an athlete is injured during a contest and a physician or trainer is present and renders treatment, the athlete must have the approval of the physician or trainer before returning to play or practice. The physician or trainer will determine the extent and level of return to play or practice, not the coach or parent/guardian.
- If an athlete is injured at an away game and receives the services of a medical professional from another school, Mohawk will heed the recommendations of that professional until treatment and the extent and level of return to play can be determined by Mohawk personnel.

Concussions

- A concussion is a traumatic brain injury that interferes with normal function of the brain. "Bell ringers" are serious brain injuries, and loss of consciousness is not required for it to be considered serious. Ohio's Return to Play Law of 2013 requires coaches or referees to remove from play any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion, such as but not limited to loss of consciousness, headache, dizziness, confusion or balance problems; and from that point forward, the student-athlete cannot return to play for the remainder of that day. Thereafter, the student cannot return to practice or competition until cleared with written authorization from a physician or trainer approved by the school board in accordance with state law.

EQUIPMENT

- All athletic equipment is the property of the Mohawk Schools and is to be treated with pride and respect.
- Any equipment issued is to be worn only at practice or during scholastic contests involving that sport, unless otherwise specified and permitted by the coach and Athletic Director.
- School owned equipment is not to be taken from the buildings for use by another organization
- Each athlete is responsible for all equipment issued. Any items lost, stolen, damaged, or not returned in the same condition will become the athlete's financial responsibility.
- Under certain conditions items such as jerseys and uniforms may be sold to senior players after the season with all potential purchases be controlled by the head coach and Athletic Director.
- Equipment and uniforms belonging to Mohawk School must be returned upon request of the head coach. Anyone not complying with this policy will not be allowed to participate in their next sport and/or graduation ceremonies until all equipment and uniforms have been returned.

FACILITIES

- Mohawk students have facilities and equipment made available to them by the Mohawk Local Schools and the Mohawk Athletic Boosters. In order to maintain these facilities, all **student** activities in the gym(s), field house, weight room, locker room(s), outdoor facilities, MCI building or auditorium must be supervised by a coach or board-approved adult.

SCHEDULING OF PRACTICES/EVENTS

School Cancellations

- High School sport practices and contests will continue as scheduled if weather permits. If road conditions remain less than ideal at the scheduled time of a practice or event, attendance at that event will remain optional.
- Practices are not mandatory and no student-athlete will be penalized for absence but in order to be excused from practice due to travel concerns, the student-athlete or his/her parent must notify the coaching staff in advance.

- Junior High events and/or practices will not take place when school is cancelled.

- In the event that inclement weather forecasts or other circumstances lead to school being dismissed prior to the regular dismissal time, all after-school activities will be cancelled unless special exceptions for high school events are made by the principal, Athletic Director and coaches involved.

Transportation

- Head coaches reserve the right to require team members to ride the team bus before and after contests. Parents or guardians may be granted permission to transport his/her student home if written permission is granted by the head coach or Athletic Director.
- Student-athletes are not permitted to ride to/from events with anyone other than their parent/guardian.
- Upon the occasion in which an athlete is not being transported to an event by bus/school van, but by private-party transportation, parents/guardians of the athlete must complete the school-approved permission form and have administrative approval of arrangements prior to travel.
- If a student-athlete is unable to report to the departure point prior to the departure of the team bus, he/she must contact the coach in a timely manner.
- If a team member misses the bus, the athlete may not be allowed to participate in that event.
- All early dismissals from school for athletic contests will be arranged in advance so student athletes will have time to get assignments in advance for any missed class time.

Wednesday / Sunday practice policy

- Wednesday practices will be completed by 6:30pm and Wednesday contests will be avoided when possible. Exceptions include years in which Christmas and New Year's holidays occur on the weekend, limiting open dates for winter contests, baseball and softball games and any contests scheduled for special circumstances including, but not limited to, special events, tournament games and make-up games.
- Sunday practices, camps and events are permitted only with the approval of the Principal and/or Athletic Director
