

Drop-off

Morning drop off for Mohawk Elementary is from 7:45-8:00. Student should report to the cafeteria where they will be supervised. Students will report to their room at 8:00am.

The picture to the left shows the parking lot. If you plan to escort your child into the school (not required except for pre-school) please park in one of the designated parking spots. Do not park in the fire lane, along the side of the road, or behind another car.

If you are planning on dropping your child off and then leaving without getting out, pull up to the curb past the cross-walk. (the area designated in red in the picture) Pull all the way up to the curve or a few feet behind the car in front of you. Students will exit on the passenger side of the vehicle and proceed on the side walk to the building.

Someone will be on duty to greet your child and to direct traffic by stopping pedestrians or stopping traffic to insure safety of our students and parent pedestrians.

Afternoon Pick-up

Students are dismissed for parent pick-up at 3:00. Parents can arrive early and park and wait in the parking lot but will not be allowed to enter the building until after 3:00. Again, please park in the designated parking places only. If and only if, all the designated spots are filled, the next two cars can pull up to the end cross-hashed areas (red rectangles above). If both of those areas are filled, then cars should pull up past the cross-walk, and park along the curb (the long solid rectangle above). There will be someone on duty to direct traffic. Please follow our procedures they are designed to insure a safe and orderly pick-up procedure. Thank you for your cooperation thus far on the implementation of these procedures.
